Filed: February 26, 2004)	Examiner: Ryan Hsu
For: CURSOR CONTROL APPARATUS)	Confirmation No.: 4351
AND CURSOR CONTROL PROGRAM)	

REQUEST FOR SUPPLEMENTAL NOTICE OF ALLOWABILITY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner is requested to acknowledge the submission of certified priority document for Japanese Patent Application 2003-110759 filed along with the original application on April 15, 2003 in the U.S. Patent and Trademark Office.

On October 6, 2008, a Notice of Allowance was issued, but the Examiner failed to indicate for the first time Examiner's acknowledgement of claim of foreign priority. As set forth above, and as proved by the attached date stamped copy of the original submission, the Examiner has failed to acknowledge the submission of certified priority document for Japanese Patent Application 2003-110759 filed along with the original application on February 26, 2004 in the U.S. Patent and Trademark Office.

Applicants respectfully submit that the circumstances as set forth above would warrant Examiner's timely issuance of a Supplemental Notice of Allowability with Examiner's acknowledgement of claim of foreign priority.

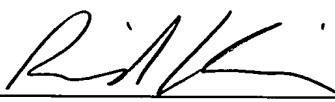

A copy of the submission of certified priority document for Japanese Patent Application 2003-110759 filed on February 26, 2004 in the U.S. Patent and Trademark Office is attached.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
